Overcoming Language Barriers

How to use Microsoft technology to empower everyone
By the end of this workshop, you should…

- Be able to confidently use the Microsoft AI technology to effectively overcome language barriers in group presentations, 1:1 or small group conversations, and via email.
- Learn more about the struggles of language learners in the world.
- Know how to use Microsoft stores as a resource for your technology and training needs.
- Be having fun. Or else.
Your name

- What’s your native language?
- When has language been a barrier to you?
- Have you ever lived somewhere you didn’t speak the language? What was difficult or challenging about this?
In an increasingly globalized world, language learners aren’t rare.

- **One in Five U.S. Residents Speaks Foreign Language at Home**, Record 61.8 million (according to the center for Immigration Studies in 2013)
- The number of foreign-language speakers increased 2.2 million between 2010 and 2013. It has grown by nearly 15 million (32 percent) since 2000 and by almost 30 million since 1990 (94 percent).
- Of those who speak a foreign language at home, 25.1 million (41 percent) told the Census Bureau that they speak English less than very well.
- Between 2000-2013, Foreign language speakers in WA and OR increased by 60 % and 42% respectively.
According to the US Dept of Health and Human Services

- About 2 to 3 out of every 1,000 children in the United States are born with a detectable level of hearing loss in one or both ears.
- Approximately 15% of American adults (37.5 million) aged 18 and over report some trouble hearing.
- One in eight people in the United States (13 percent, or 30 million) aged 12 years or older has hearing loss in both ears, based on standard hearing examinations.
COMMUNICATION IS ESSENTIAL TO OUR SURVIVAL, BUT GOOD COMMUNICATION IS ESSENTIAL TO OUR SUCCESS

Le programme nouvellement mis à jour Money Smart pour adultes, dirigé par un instructeur, offre aux participants des connaissances pratiques, des possibilités de création de compétences et des ressources qu’ils peuvent utiliser pour gérer leurs finances en toute confiance. Les instructeurs peuvent l’utiliser pour offrir une éducation financière impartiale, pertinente et précise, qu’ils soient nouveaux pour la formation ou des formateurs expérimentés.
Try it out for a few minutes

- If you have PowerPoint installed on your device with you, get it out and download the Presentation Translator add-in (https://www.microsoft.com/en-us/download/details.aspx?id=55024)

- If you would rather use one of our devices with PowerPoint and the Presentation Translator add-in already installed, as well as an FDIC PowerPoint to play with, pick one up here.

- Features to test: Translation of slide content, translation of entire PowerPoint slide decks, subtitles and translation.

- Try it solo. Try it with an audience. I'm here for questions and support.
